FOR IMMEDIATE RELEASE

U.S. Route 101 Broadway Interchange Project Update (San Mateo County)

San Mateo County – The California Department of Transportation (Caltrans) will complete pile driving for the first phase of the U.S.101 Broadway Interchange Project on March 23, 2015. The pile driving is more than two-thirds complete for this portion of foundation work.

Work will resume on March 23, 2015, and will include upgrading of the City of Burlingame's sanitary sewer system along Rollins Road between Broadway and Cadillac Way and will continue across the street from the Valero Gas Station north of Broadway Avenue. This work will include trenching and excavation of large bore pits.

NOTE: Pile driving will resume in nine months.

This work is part of the 101 Broadway Interchange Reconstruction Project. The scheduled completion date is mid-2017 (weather permitting).

For the latest road conditions, try Caltrans Quick Map: <http://quickmap.dot.ca.gov>
Or follow Caltrans on Twitter at: <https://twitter.com/CaltransD4>

You can go to the project website to be added to the group e-mail list or get more information on the project at: <http://www.dot.ca.gov/dist4/projects/broadwayrecon/index.htm>

Caltrans appreciates your patience as we work to improve California's highways.

Motorists are advised to expect minor delays and encouraged to take alternate routes if necessary. Motorists are also advised that traffic fines are doubled in construction zones.
